

REMARKS

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application in order to afford Applicant the scope of protection to which he is entitled. Support for these claims is found in the original specification at least at page 8, line 4 to page 15, line 25 as well is in Figures 2-6.

The amendments to the claims made in this amendment have not been made to overcome the prior art, and thus, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,

James E. Ledbetter
